Dear Lowell:

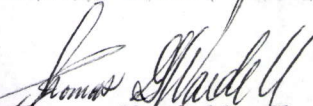

The Uintah County Commission realizes the legal requirements to file a mining reclamation plan for the county's asphalt mine located in Section 30, T.4S R.21E, SLM, Uintah County, Utah.

Uintah County has been working toward the completion of the MR-1 Reclamation form. The expected completion date of December 1987 will not be met. We expect to complete the reclamation plan prior to the beginning of next year's mining operation. The target date for completion is May 1, 1988. We hope this new target date will meet with your approval, and with the approval of the Division of Oil, Gas & Mining.

If you have any questions or concerns about the new date, or about the proposed reclamation plan, please contact Rob Hugie, County Planning Office, 781-0770, Ext. 483.

Sincerely,

UINTAH COUNTY COMMISSION

 Thomas Wardell, Chairman
